---

Turkish Women's International Network (TurkishWIN) is a global member network empowering women with cultural, family or professional ties to Turkey with chapters in Istanbul, New York, Boston, San Francisco and London. Our vision is to inspire and connect whole-hearted women leaders of today and tomorrow in Turkey and abroad. Our mission is to provide a story telling platform for women to enable the exchange of ideas, networks and experiences. Members include professionals, academics, entrepreneurs, change makers, artists and students who share four core values: curiosity, generosity, courage and authenticity. TurkishWIN programs include WEB TV Talks, mentoring and campusWIN programs. For more information and TurkishWIN talks, please visit: <http://turkishwin.com>
